"YOU CAN'T GET THERE FROM HERE."

"You'll be sorry."
"Never happen."
"Why bother?"
"Be cool."
"Play it safe."
"It'll never work."
"Leave well enough alone."

Conventional wisdom. Sometimes it seems all that is heard is a discouraging word.

But as a high school graduate, you have some unconventional opportunities coming up.

Why not shoot for the moon?

The people of The Foxboro Company hope you make it.
